U.S. Environmental Protection Agency

Re: Freedom of Information Act Request

Dear FOIA Officer:

On behalf of Patricia Charles, Carolyn Peters, Raphael Sias, Ronald Carrier, Larry Allison, Karl Prater, McKeever Edwards, Stafford Frank, and Peggy Anthony (collectively, “Mossville Residents”), and pursuant to the Freedom of Information Act, 5 U.S.C. §552, we hereby request the following documentation, in whatever form, electronic or otherwise:

**For the time period between November 1, 2021 and the present, all documentation in connection with any EPA inspection of Sasol Chemicals (USA) – Lake Charles Chemical Complex, Westlake, LA including but not limited to: a) documentation reflecting any EPA inspection or review of Sasol’s ethylene oxide emissions at the Lake Charles Chemical Complex; b) documentation detailing the inspection of methods, procedures, policies, units and/or performance testing used by Sasol Chemicals (USA) – Lake Charles Chemical Complex; c) documentation detailing any releases of toxic or hazardous materials, including air emissions, on-site and off-site disposal of solid and hazardous waste, and discharges into water bodies; d) documentation detailing EPA’s findings from any inspection of Sasol Chemicals (USA) – Lake Charles Chemical Complex; e) any and all communication between Sasol and EPA regarding any EPA inspection of the Lake Charles Chemical Complex.**

We request a waiver of fees associated with responding to this request and have attached a letter detailing our qualifications for the waiver.

Should you decide that any of the requested material is not to be disclosed, please describe the material withheld and specify in detail the statutory or administrative basis for withholding it. All segregable, non-exempt parts of documents should be provided.
